End Wokeness

@EndWokeness

The very first moment of 2024 was an interracial gay kiss curated for public consumption.

Shows where we're at as a nation.

Doesn't it?

Pathetic

The countdown to the 7-year Tribulation is almost zero.

“God gave them over in the sinful desires of their hearts to sexual impurity for the degrading of their bodies with one another. They exchanged the truth about God for a lie, and worshiped and served created things rather
